EXECUTIVE SUMMARY

I am a graduate of Informatics Engineering. Hands-on work experience and a keen interest in Front-End Web Developer, Android Development, Odoo Dev, and IT Consultant. He is skilled in communication, public relations, and collaboration. Then spent my college years active as an event organizer, which made me able to work under pressure and easy to adapt. I am a highly motivated and dedicated individual committed to excellence in all I do. I want to keep learning, improving my skills, and overcoming difficulties to attain my goals in the future.
